## Notes and Comment

**Note:** The tags now being seen on boxes at the Homerville Produce Auction are voluntary "traceback" tags. Use of these tags is a recommended GAP or "Good Agricultural Practice".

**New in the Box Room:** Hand sanitizer for growers and farm marketers is available at cost in the Homerville box room.

Hand sanitizer is not a substitute for hand washing but is highly effective in killing bacteria in situations where hands are free of visible dirt.

Use a dime sized dollop and rub your hands until dry.
