Tomato 10# 1 layer	336	2	13	7.15					
Watermelon	739	.8	3.5	1.58					

Notes and Comments

Traceback tags: The new tags now being seen on boxes at the Homerville Produce Auction are voluntary "traceback" tags.

Construction Projects:

Hitching Rail: We have replaced 100 feet of old hitching rail with 186 feet of new steel pipe hitching rail. This gives us a total of 474 feet of hitching rail (one side) for horse drawn vehicles. In addition there are places to tie 16 teams for drive-through waiting.

Concrete: We have added 1680 square feet of concrete for drive-through unloading. We have immediate plans for an additional 960 sq feet. That will give us room for 170 bins and pallets without encroaching on the loading dock or the auction floor.

Hand sanitizer dispensers are available at cost in the Homerville box room.

Strong, colorful produce bags are available in the box room for resellers.
