The maximum amount of growth cracks allowed for USDA #1 on a 2 1/2 inch tomato. Slightly more is allowed on larger tomatoes but it must be proportional to above.

Also allowed is other damage that adds up to no more than a circle 3/8 inch in diameter on a 2 1/2 tomato. Slightly more is allowed on a bigger tomato.

Make a tight pack with all tomatoes touching.

Pecks are reluctantly allowed and not recommended. Please use the 18-20# 2-layer box.
